# Shalom of Yahweh

*To all who desire to love Yahweh your Elohim with  
all your heart, and with all your soul and with all your mind:  
May the shalom of Yahweh and His Son Yahshua be your portion!*

All **praise, honor** and **glory** belong to **Yahweh** and **Yahshua**! Without them, even our very existence would not be possible in any time, place or fashion!

Comment 1: Second to **Yahweh** and **Yahshua** and their **Righteousness**, a huge focus in the scriptures is the past, present, and future history of the relationship of **Yahweh** and **His People**.

Comment 2: **Yahweh's** people included the **righteous** ones before the flood and afterward when **He** chose **Israel** to be **His** people.

Comment 3: Gentiles were later grafted in with the **righteous** remnant of **Yahweh's** people Israel after most Israelites rejected **Yahshua**.

Comment 4: High points of this past, present, and future history of that relationship can be seen in the **Seventh Day Sabbath** as well as in all of the **Annual Holy Days** and the related **Sabbatical years**.

Comment 5: **Yahweh** and **Yahshua** always wanted to show all people that there is a death penalty for sin. In His great mercy, **Yahweh** provided the ultimate sin sacrifice offering of His **Son Yahshua** to pay that penalty of death for mankind. That gave mankind the opportunity to repent and live a pious life and receive **Eternal Life** through **Yahshua Messiah**.

These articles are being shared with everyone with the hope of helping others to understand the scriptures.

*[CAVEAT: Everything between the pink brackets that is written in bold, ten-point, italic fonts are not to be taken as part of the scriptures. They are only my attempt to help the readers understand the scripture better. T.A.H.]*

The contents written in these articles should be affirmed only if they are according to **Yahweh's** law and His testimony. Instead of judging the contents of each article by something that one presently believes, one should be like a good juryman and view all the evidence, weigh it, and then decide if it be true or if it is false. Please give each article an honest, thorough and unbiased investigation.

Please ask **Yahweh** for His guidance while searching for these things in the scriptures. One cannot depend only on human beings for understanding because we all are too subject to making mistakes. We are led far too often with our own thoughts and desires that sometimes causes us to stray from **Yahweh's truth** and from Him Whom we attempt or claim to serve.

May **Yahweh** bless those who read and understand these articles and are not offended by them.
